

# **New Ground Signs With Dominion Agency & Celebrates 30 Years**

As they celebrate 30 years of full time gospel music the Dominion Agency is thrilled to welcome this timeless trio to their roster. Owner/Agent Michael Davis states, “We have known New Ground for quite a few years. We have watched their ministry grow and saw the dedication to their singing over the past years. We are so excited to have them as a part of our Dominion Family and look forward to a long relationship for carrying their ministry to many churches, events, festivals and places for His Word to be heard.” Lori Wise, Booking Agent for Dominion Agency, “I met Dale, Robbie & David nearly ten years ago and it was an instant connection with this group. We have been in many locations with them and have become close friends. I know their heart and I know that we will be looking for great things to continue with this trio. Call today and let’s get them on your event.”

It all began when a group of friends met just to see what it would "sound like" as a gospel trio and possibly begin a ministry singing songs for Him!!! With the intention to sing a few church services, gospel events and wherever the call came from this chance meeting is now celebrating their 30<sup>th</sup> Year Anniversary.

Dale and Robbie Maxwell, founding members of New Ground, are still going strong in their belief that the Lord appointed this union to carry His Word thru music. They are joined by David Owens who shares their same love for the music in song.

Hailing from the foothills of Sand Mountain, Alabama and enjoying success on such songs as “That Heavenly Home”, “I’m Not Afraid To Go” and “I’ve Fought A Good Fight.” Their music can be heard at radio stations and social media all around the world.

New Ground is enjoying gospel music without compromise. It's been an extraordinary 30 years, with over 3500 sings behind them — from their hometown of Scottsboro, Alabama to Juneau, Alaska, then onwards to Scotland with many states and countries in between, the group remains true

today and as they continue to look ahead for more opportunities to further His Name in Song!!!

Be watching for many year long celebration events from this exciting Trio during 2023!!!!
